4. [REDACTED] LIAISON Took a call from Elaine George, in the office of Senator Paul Sarbanes (D., Md.). George said that Clifford Hackett, on the Senator's staff, had just received a copy of an unclassified Agency publication entitled "Economic Indicators Weekly Review" and wanted to be put on regular distribution for the publication. I explained the Director's new policy of providing unclassified studies to Senators routinely and that the Senator's office would regularly get all these publications through the Senate Select Committee on Intelligence. George said she would pass this along.
